Secondary Education (10th STD):

2022-2023

M.N.S Government Girls Higher Secondary School | PERCENTAGE: 88..2%

PROJECTS

Ticket Booking Site

Developed a Ticket Booking Web Application that enables users to browse and book tickets through a simple and responsive interface, improving the overall booking experience. Implemented key features including ticket search, seat selection, booking confirmation, and responsive web design using HTML, CSS, and JavaScript.

SmartWasteReporting System

Developed a Smart Waste Reporting System to replace manual complaint reporting with a digital platform for efficient waste management. Integrated frontend and backend to enable real-time complaint submission, status tracking, and administrator monitoring. HTML, CSS, JavaScript, MySQL
